

Bozeman Senior Center

Dining Room Floor Maintenance Policy

We are very proud of our new hardwood dining room floor and the new ceramic tile in the food service area. With your help, we can preserve this new floor and keep it looking great for many years to come.

When you are using the Senior Center building, please observe the following:

1. Please, no rugs or mats are to be used on the floor.
2. Please, do not take the chairs or sofas from the lounge area into the dining room. Pulling these will cause scratches to the floor.
3. Please, no plants are to be taken from the lounge area into the dining room.
4. **No dance wax can be used on the floor.**
5. If there are spills, please wipe them up immediately, **only with water. Do not use soap or any other kind of floor cleaner.**
6. When setting up tables and chairs, please do not pull the tables across the floor, to avoid scratches.
7. To clean up the dining room floor area after you have used the building, please use the dry mop to dust the floor. **Do not put any kind of cleaner on the mop.**

If there is damage to the floor while you rented the building, you will be charged a minimum of \$300.00 to help with repair and maintenance.
